About the Seminar

The objective of this seminar is to elucidate key new provisions and insights into the Companies Act 2016. The new Act will be brought into force in the first quarter of 2017. The new Act will give a boost to corporate entrepreneurship, enhance corporate governance and increase the flexibility in managing the affairs of companies.

There will also be a dedicated insolvency session. The seminar will cover the insolvency issues for companies and also highlight the changes to bankruptcy laws for individuals under the new Bankruptcy Bill.

This is a seminar not to be missed as the speakers will share their collective experience and knowledge from the legal industry, company secretarial practice, corporate compliance and insolvency practice.
